# ECHOES OF OUR LANDS

## PARTNERS

In our project, there are 6 countries ( Türkiye, Italy, France, Croatia, Spain and Slovakia) , 9 schools and 12 teachers.

## PROJECT DESCRIPTION

"Echoes of Our Lands" is an eTwinning project focused on discovering and sharing European cultural traditions through the universal language of folk music. Students from different regions of Europe will explore their local heritage by connecting it with traditional songs, dances, typical clothing, local food, and stories.

## FEBRUARY - SING WITH ME

- Students record a short part of the song (audio or video).
- Students help their partners learn the song by: sharing simple lyrics, explaining how to pronounce the words, and showing the rhythm or melody.

## MARCH - SING, LEARN, SHARE

Each group of students will be paired with another group from another country and they will have to learn and sing the song. Students record their performance and upload it to TwinSpace.
